GURNSEY, LOWELL WALTER, fl. 1820s.
Lowell Walter Gurnsey notebook, 1822-1839 (bulk 1822)
1 volume (148 pages)
#M-0084

BIOGRAPHICAL NOTE: Medical student or physician. It's possible that Lowell Walter Gurnsey is identical to Lowell W. Guernsey (1801-1861) who practiced medicine in Shrewsbury, VT.

SCOPE AND CONTENT: Medical notebook kept by Lowell Walter Gurnsey of Vermont in the 1820s and 1830s. It includes a list of the bones of the human body; notes on chemistry; extensive notes on specific diseases and their remedies; lists of drugs and their properties; and much miscellaneous medical and scientific information.

It is signed and dated several times by Gurnsey, usually in 1822, though there is one as late as 1839. In addition, the notation "Orwell, Vt." appears in several places.

LOCATION: Miscellaneous Manuscripts: Box 1, fo. 26
