BIOGRAPHICAL NOTE: Florence Nightingale was born on May 12, 1820 in Florence, Italy to William Edward and Frances Smith Nightingale. Born into an affluent English family that valued her education, Florence went on to become a leading figure in the reform of nursing and medical services in Britain, as well as an innovator in statistical analysis. Her work nursing British troops during the Crimean War (1854-1856) led her to study soldier mortality rates and advance ideas in sanitary science, data collection, and hospital design. Nightingale became an influential voice in government public health policy in late 19th century Britain, both domestically and throughout the empire. She died on August 13, 1910.*

Hugh Auchincloss was born December 28, 1878 in New York City. He was educated at Groton, graduated from Yale in 1901, and received his medical degree from Columbia University's College of Physicians and Surgeons (P&S) in 1905. After surgical residencies at Presbyterian and Roosevelt Hospitals in New York City, he began a long association with both Presbyterian Hospital and P&S, eventually becoming Chief of the Second Surgical Division of Presbyterian and Professor of Clinical Surgery at P&S. He was best known for his surgical treatment of breast cancer and infections of the hand. He died in 1947.

HISTORICAL NOTE: The Florence Nightingale Fund was a national fundraising effort that led to the creation in 1860 of the first modern school of nursing at St. Thomas's Hospital, London. It was a creation of a group led by author Anna Maria Hall, her husband, journalist Samuel Carter Hall and statesman Sir Sidney Herbert and his wife, writer and prominent social figure Elizabeth Herbert, who in 1855 organized a public subscription to create a testament to Britain's appreciation for Florence Nightingale's service to the nation during the Crimean War. In 1857, a committee was appointed to manage the fund. By 1859, the amount collected stood at 45,000 British pounds, at which time the funds were turned over to Nightingale, who used the monies to start a nurses' training school at St. Thomas's Hospital in London, now known as the Florence Nightingale School of Nursing and Midwifery.

SCOPE & CONTENT: The Florence Nightingale Fund Records document the activities of the Fund and include letters, documents, and printed material. There are approximately 321 letters from over 300 individuals, including Nightingale's sister, Frances Parthenope (Lady Verney), and from her mother, Frances Nightingale, as well as correspondence from every strata of British and Irish society in response to Fund solicitations. Also included are copies of speeches given at meetings organized by the Fund and a small quantity of materials created by persons

corresponding with the Fund that are unrelated to the Fund itself. Comprises part of the larger Auchincloss Florence Nightingale Collection which includes books by and about Nightingale and publications on the history of nursing, and the Florence Nightingale Historical Collection. Those portions are cataloged or described separately.

ARRANGEMENT/ORGANIZATION: The collection is generally arranged alphabetically by surname and then chronologically, though there are inconsistencies.

LANGUAGE: English.

ACCESS: These records are open for research without restriction.

TERMS GOVERNING USE AND REPRODUCTION: Photocopies may be made for research purposes. NewYork-Presbyterian Hospital maintains ownership of the physical material only. Copyright remains with the creator and his/her heirs. The responsibility to secure copyright permission rests with the patron.

PROVENANCE: Transferred in 1979 by Presbyterian Hospital to the Columbia University Health Sciences Library on a long-term loan basis, the Auchincloss Florence Nightingale Collection is still owned by Presbyterian's successor institution, NewYork-Presbyterian Hospital.

CUSTODIAL HISTORY: Hugh Auchincloss, professor of surgery at Columbia University and an attending surgeon at Presbyterian Hospital, donated a substantial number of Florence Nightingale letters to the Presbyterian Hospital School of Nursing (later the Columbia University School of Nursing) in 1932 in memory of his mother, Maria Sloan Auchincloss, on the graduation of his daughter, Maria Sloan Auchincloss, from the School of Nursing. Additional materials were donated by him, his family, and friends of the School of Nursing into the 1950s. The letters and documents of the Nightingale Fund were presented by Auchincloss to the School of Nursing on Oct. 22, 1940.

RELATED COLLECTIONS: The Florence Nightingale Fund Records are part of the Auchincloss Florence Nightingale Collection, which also includes letters by and to Nightingale and published works by and about her. The letters portion of the Collection also contains some Nightingale Fund documents, mostly financial records.

The book portion of the collection includes *The Nightingale Fund: Report of Proceedings at a Public Meeting Held in London on Thursday, November 29th, 1855* (London, The Nightingale Fund, 1855) which is cataloged as call number [RT37.N55 1855](#).

PROCESSING NOTE: The letters were transcribed in 1956 by students at the Columbia University School of Nursing and then housed in 3 scrapbooks using pressure-sensitive tape. In 2004-05, conservation work funded by the Columbia University-Presbyterian Hospital School of Nursing Alumni Association removed the letters from the volumes and rehoused them in acid-free folders in three portfolio boxes. The residue from the tape was also removed, though staining remains. In 2014, the transcriptions were edited and corrected and a calendar created by Jennifer McGillan, Archivist. At that time, she also identified many of the correspondents.

Corrections made to calendar inventory by staff and finding aid revised in 2024-2025.

- 1-20 Binney, Thomas, [Congregationalist minister known as the Archbishop of Nonconformity], Walworth, Nov. 8, 1855, ALS to Mrs. S.C. Hall. Apologizes for not writing earlier but missed previous letters, probably due to travel; is interested in the project, as a cousin of his wife's is a nurse in Smyrna; encloses papers, one of which references cousin's work; not sure being on the committee will be helpful but Hall is welcome to add him, though he cannot provide much active aid. 4p.
- 1-21 Binney, Thomas, Walworth, Nov. 28, 1855, ALS to Mrs. S.C. Hall. - 1-24 Blakely, Edward T., May 22, 1856, ALS to Mr. S.C. Hall. Gilman has called upon Mr. R.N. Bacon who advises a list of additional names should be drawn up; said list is enclosed, and it is suggested persons contacted be told "an early reply requested." 2p.
- 1-25 Blatch, W., Incumbent of St. John's Episcopal Church, 16 York Place, Perth, [Scotland], Jan. 21, 1856, ALS to Mr. S.C. Hall. Has been forwarded a circular about the Nightingale Fund; consulted with the Vestry and consensus is local collection would be preferable to congregational collection; he is willing to assist with collecting. 1p.
- 1-26 Blomfield, D., [Miss], Grofrath, Dusseldorf, [Germany], Aug. 25, n.d., ALS to Mrs. S.C. Hall. Greatly admires Miss Nightingale but does not feel at liberty to support the development of a nursing school while the Bishop of London is President of the Institute for Training Nurses at St. John's House, Westminster, as a second school would probably cripple or kill the first. 3p.
- 1-27 Bodington, George, Ecton, Coldfield, March 19, 1856, ALS to the Honorable Secretaries. Has received a collecting book and will endeavor to obtain subscriptions in the district. 1p.
- 1-28 Boulds, Andrew W., *Independent* office, Devonport, May 2, 1856, ALS to Mr. S.C. Hall. The best person to assist in the area is Lorenzo Tripe; but he will co-operate with any effort made via the *Independent*. 2p.
- 1-29 Bowner, T.S., Curate of Sadwater, Chansdown Terrace, Hull, May 22, 1856, ALS to Mr. S.C. Hall. Apologizes that his personal influence is too small to be of much help; advises that the local clergy are of the Record school, and that Miss Nightingale is probably not in high favor; suggests that the mayor be contacted at once, as well as Dr. Bromby of Holy Trinity Church and Dr. Sandwith, a prominent local physician. Adds postscript that Hull clergy are well-esteemed and the Record was formerly his abomination, though it may have improved in recent years. 4p.
- 1-30 Bracebridge, Charles Holte, [man of letters, friend of Florence Nightingale], n.d., ALS to Mr. S.C. Hall. Encloses Binn letter; mayor who would not have a public meeting spent 400 pounds on a dinner on going out of office; account is all we can wish and labors have achieved goals; Miss Nightingale with her family at Christmas and working hard to record her suggestions. 4p.
- 1-31 Bracebridge, Charles Holte, Athenaeum Club, Oct. 8, 1855, ALS to Mrs. S.C. Hall. Discussion of various persons affiliated with or interested in the development of the Nightingale Fund, including Young and Thackeray, who object to a building and exclusively unpaid sisters; can speak for Nightingale, to say she will build no hospital to bear her name or exclude paid nurses from her system, and does not want subscriptions to injure other charities; specific limits can be expressed in a printed letter. 4p.
- 1-32 Bracebridge, Charles Holte, [Stanstead or Hampstead?], Nov. 26, n.d., ALS to Mrs. S.C. Hall. Glad to benefit from instructions but if unable to leave Portsmouth will go directly to the office to get orders; Mrs. Herbert has written to Lord Panmure and Lord Harding; Captain William Peel RN has also been contacted; agrees that they can make no deep impression without the ladies; asks if local committee could be raised, like with the antislavery movement; discussion of feelings of individuals re: the movement. 4p.

- 1-33 Bracebridge, Charles Holte, Wilton House, Wednesday, n.d., ALS to Mrs. S.C. Hall. Will return to town tomorrow and call on her at noon; please excuse naming the hour, as he is short of time. 1p.
- 1-34 Bracebridge, Selina, [wife of Charles Holte Bracebridge] June 4, n.d. ALS to Mrs. S.C. Hall. Will be sending a group commemorative of Miss Nightingale's work in the East; please accept it, though she is almost ashamed to offer a statuette in a common material like plaster to a house so full of valuable art; will also send a glass to cover the group. 3p.
- 1-35 Bracebridge, Selina, The Hall, Nov. 8, n.d., ALS to Mr. S.C. Hall. Request that Colonel Jebb's name be added to the committee, though his response is late, as he is a personal friend of Miss Nightingale's. 1p.
- 1-36 Bracebridge, Selina, Nov. 30, n.d., ALS to Mrs. S.C. Hall. So liked Miss Maxwell's comments that Mr. B has had them printed and sent to some of the committee members for consideration before the meeting, as well as to the office for Mr. Hall to send to anyone likely to attend, as well as to the names on the other side [of the page]. 2 p.
- 1-37 Brassey, Maria, 56 Lowndes Square, July 25, ALS to Mrs. S.C. Hall. Very pleased to cooperate with the Fund, please advise on best testimonial. 4p.
- 1-38 Briggs, Mr. [John Atkinson?], Leamington, n.d., AN. Request that enclosed funds be entered as collected at the library in Leamington; request that confirmation of a meeting be sent to Athaneum Club. [1p.]
- 1-39 Friend, J.I. on behalf of Briggs, John Atkinson, *Dover Chronicle* and *Kent and Sussex Advertiser*, 2 King Street, Dover, May 1, 1856, ALS to Mr. S.C. Hall. Briggs once again recommends that Hall press the subject of the Nightingale Fund on the Mayor (James Worsfold) as he has already expressed an interest in calling a meeting on the subject; we have tried to push him but a letter from Hall would probably be more effective. [4p.]
- 1-40 Bright, Emma, [wife of Richard Bright, Member of Parliament for Somerset], Abbots Leigh, July 16, 1855, ALS to Mrs. S.C. Hall. She and her husband think the Queen will find some way to honor Nightingale and thus does not see that anything can be done now; from what she has heard of Nightingale she would shrink from any kind of heroic display, and she may want a collection to be used to improve the Hospital or some other benevolent institution; discussion of her health and other personal matters. 3p.
- 1-41 Buchanan, James, [United States Minister to the United Kingdom, later President of the United States, 1857-1861], Legation of the United States, London, Nov. 1855, ALS to Mrs. Anna Maria Hall. Has great admiration for Miss Nightingale but feels it would be inappropriate for him to be a member of the Committee as he is a foreign minister and also about to return home. 2p.
- 1-42 Butler, Miss, 9 Wellington Place, Guildford, Jan. 12, 1856, AL to Miss Hull. Would be happy to take small book to collect for the Nightingale Fun. 1p.
- 1-43 Buxton, Emily, [wife of Charles Buxton, member of the House of Commons], Northrepps Hall, Oct. 6, n.d., ALS to Mrs. S.C. Hall. Have always intended to subscribe; will do so when they return to London and become better acquainted with the fund. 2p.

- 1-44 Campbell, Colin, [British Army officer; led the “Thin Red Line,” later 1st Baron Clyde and Commander-in-Chief in India], U.S. Club, Nov. 26, 1855, ALS to Mr. Bracebridge. Regrets that his absence from town on Thursday due to a family commitment will prevent him from attending the meeting; he returns to the Crimea shortly. 1p.
- 1-45 Hanover, George William Frederick Charles, [Prince George, the Duke of Cambridge, Earl of Tipperary and Baron Culloden, Commander of the 1st Division of the British army in the East, later Commander-in-Chief], St. James’ Palace, Nov. 8. 1855, letter. Writes unwillingly to say that he is unable to attend the Nightingale Fund meeting due to a previous engagement. 1p.
- 1-46 Canning, Charlotte, [Lady Canning, Lady of the Bedchamber to Queen Victoria, wife of Charles Canning, 1st Earl Canning, Viscount Canning, later Governor-General of India during the Indian Rebellion of 1857], 10 Grosvenor Sq., Friday, ALS to Mrs. S.C. Hall. Request that Hall call upon her during the following week; Mrs. Bracebridge intends to call upon Hall in the next few days; Bracebridge is recently returned from Scutari and therefore in the best position to know Miss Nightingale’s wishes; discussion of good feelings regarding recent responses and promised donations; Canning’s sister [Louisa Beresford, wife of Henry Beresford, 3rd Marquess of Waterford] is not often in England and is unlikely to be a member of the Committee. 7 p.
- 1-47 Canning, Charlotte, 10 Grosvenor St., Aug. 4, 1855, letter to Mr. Durham. Obligated to Durham for advising her of Mrs. S.C. Hall’s letter regarding a tribute to Florence Nightingale; placing money at Nightingale’s disposal to establish a training hospital for nurses seems like the best mode of showing her how her actions are prized; she will be pleased to ask permission to lay the plan before the Queen when it is more developed. 3p.
- 1-48 Canning, Charlotte, 2nd letter, Aug. 19/20, 1855, ALS to Mrs. S.C. Hall. Thinks that being presented with funds to carry out her work is the only kind of testimonial Miss Nightingale would accept; would be pleased to lay the matter before the Queen; request for a short paragraph summarizing the project; cannot be a Patroness or receive subscriptions as she is about to depart from England. 7p.
- 1-49 Canning, Charlotte, Carraghmore, Carrick on Suir, Sept. 2, 1855, ALS to Mrs. S.C. Hall. Regrets that the Queen has never yet assisted in or subscribed to a testimonial for any individual, as she learned when she requested permission to lay Hall’s letter before the Queen; Queen maintains an interest in Nightingale’s work; Canning has reviewed the list of prominent persons and has suggestions for additional names; extensive discussion of challenges of raising money for a new hospital when existing ones desperately need funds, gratuitous nursing, and providing for retired nurses; she is unable to help with the work as she will be leaving England soon, and does not feel comfortable leading the charge in a new place; a well-formed committee would probably be more helpful than Patronesses; notes her own donation. 9 p.
- 1-50 Canning, Charlotte, 10 Grosvenor Square, Oct. 27, [1855] ALS to Mrs. S.C. Hall. Sympathy for Hall daughter’s “severe trial”; Canning’s sister [Louisa Stuart Beresford, wife of Henry Beresford, 3rd Marquess of Waterford] could not possibly be a member of the committee; Canning also declined as her membership would be in name only; discussion of recent papers and apology for failure to return papers. 5p.
- 1-51 Canning, Charlotte, Nov. 6, n.d., ALS to Mrs. S.C. Hall. Regrets missing Hall’s visit; proposes time for Hall to call on her. [2p.]

- 1-52 Canning, Charlotte, Grosvenor Square, Nov. 8, 1855, ALS to Mrs. S.C. Hall. Proposes a time for Hall to call upon her; declines offer of a bust of the Queen as she is leaving England for a long time; accepts present of photographs of artist's works; asks to be advised if artist makes a miniature of the bust as she would happily commission a copy. 5p.
- 1-53 Canning, Charlotte, Government House, Calcutta, Sept. 3, 1856 and Oct. 22, 1856, ALS to Mrs. S.C. Hall. Thanks for papers that were sent; report of money raised by meetings held for the fund; discussion of idea about training nurses in India that was overruled; post-script explaining the letter was delayed by failure to mail it, original date included to explain the delay. [6p.].
- 1-54 Bonham Carter, Hilary, [artist, cousin of Florence Nightingale], Oak Hill, Hampstead N.W., Dec. 20, n.d., ALS Mrs. S.C. Hall. Writes on behalf of Nightingale to thank Hall for her letter, as Nightingale is too ill for correspondence, in particular Nightingale wishes to thank Mr. Hall for his letter to the *Times*; further discussion of Nightingale's poor health. 4p.
- 1-55 Bonham Carter, Hilary, Oak Hill, Hampstead, Dec. 31, n.d., ALS to Mrs. S.C. Hall. Explanation of meeting attended by Miss Nightingale in which she asked to be relieved of the responsibility of appointing an executive committee and some other matters; information is to be considered confidential. 3p.
- 1-56 Campbell, Sarah, [Lady Cawdor, wife of John Frederick Vaughan Campbell, 2nd Earl of Cawdor, MP for Pembrokeshire], Sept. 4, 1855, ALS to Mrs. S.C. Hall. Has received letter regarding Nightingale Fund, will be happy to contribute when scheme has matured. 2p.
- 1-57 Clark, James, [physician, friend of Nightingale family], holograph copy of a speech, n.d. Seconds the resolution just proposed; has had long acquaintance with Miss Nightingale; discussion of Nightingale's nursing career including training in Germany and work in London before she went to the Crimea; heartily approves of a training school for nurses on a large scale. 3p.
- 1-58 Clutterbuck, Marianne, [wife (? might be daughter) of Robert Clutterbuck, antiquarian and author] 16 Gr. Parade, St. Leonards on Sea, Jan. 13, Tuesday [1856?], ALS to Mr. S.C. Hall. Has received papers, will undertake to collect for the Fund. [2p.].
- 1-59 Collard, Thomas W., [surveyor], Canterbury, May 21st, 1856, ALS to Mr. S.C. Hall. Has made inquiries locally about the fund; best option would be to contact the mayor for assistance. 1p.
- 1-60 Coombs, Thomas, Mayor of Dorchester, South St., Dorchester, April 1, 1856, ALS to Mr. S.C. Hall. Request for circulars. 1p.
- 1-61 Cumming, Rev. Dr. John, 7 Montague Place, Russell Square, London, n.d., ALS to Mr. S.C. Hall. Has written out speech as requested; thinks it would be an appropriate memorial to have one copy of the speeches printed and bound and signed by each speaker to present to Miss Nightingale, as well as a cheap edition for circulation. 3p.
- 1-62 Cumming, Rev. Dr. John (prominent clergyman), 7 Montague Place, Russell Square, London, Oct. 16, n.d., ALS to Mrs. S. C. Hall. Pleased to make any contribution he can in support of the Fund. 2p.
- 1-63 Cumming, Rev. Dr. John, n.d., holograph copy of a speech in support of the Nightingale Fund at a meeting at Willis' Rooms. Discussion of Nightingale's work during the war, with reference to

nursing being a kind of heroism, and Nightingale “left all women loves behind and faces all women dreads before.” 8p.

- 1-67 Dallas, Allen, Town Clerk, Inverness, Scotland, June 3, 1856, ALS to Mr. S.C. Hall. Reports that papers have been received by the provost and magistrates; magistrates have placed subscription lists in various appropriate offices; list of names of persons willing to be on the committee. 2p.
- 1-68 Darlington, E., Ulster *Gazette* Office, Armagh, May 12, 1856, ALS to Mr. S.C. Hall. Happy to undertake a subscription list; offer to insert an ad in the paper for free, and to publish an article about the cause. 2p.

- 3-83 Tennnet, Letitia Emerson, Aug. 16, n.d. ALS to Mrs. S.C. Hall. Would very much like to assist in establishing a hospital, but thinks she'd be a bad treasurer or receiver of subscriptions, as she is rarely in London, due to her own and her husband's poor health. 3p.
